What's Been Happening: I have SO many good memories of my time at UW! I still keep in contact with some of the people I met my FIRST night in Laux Hall! I'm seriously hoping I can reconnect with some people I have lost track of! Please contact me. I'd love to talk to you! Since graduation, I went back to school to get my teaching degree and Master's Degree. I currently work for the Racine Unified School District in Racine, Wisconsin. Who would have thought that the guy who dropped algebra 5 times at UW! would be teaching math? I adopted a little guy from Ukraine in 1999. Zac is almost 11 now and in the 5th Grade. What an amazing young man! He is very active in The kwon do and is working to earn his black belt! Favorite memories of UW... "Pizza Guy" on 3rd Street after he was closed. Mr. D's. Rudy's Drive In, Stealing dorm room furniture from Angel Hall. Old Milwaukee Beer. Sidelinks (25 AYCD on Thursday nights), the jukebox at Yesterday's, the "Chair" at Lindy's, Broadway Joe's, 719 N. 10th Street, "Jill's Dippity Do", Sean's 84 Fry's, Jimbo's Comet, Tom Rubenzer on the couch, Tina sleeping with the babysitter, "Where's Jonny?", Anne "dropping" change, Twitter at 1317 Vine St, Berniaier's, Tom's car blocking Tina's doorway, Pizza Pit, "NO IGFB" with Paul, Jimbo's mom passed out at Graduation, Laux Hall dumpster fires, Alpine Inn, Coon Creek Canoe Races, drunk food at "Hyperspace"

What's Been Happening: I love traveling, and I have taken several trips to France over the years. I taught middle school in Milwaukee for 3 years. I worked as a travel agent for a while, and now I work as a software trainer in Madison, WI working with doctors and nurses at a group of clinics and hospitals. I live with my partner and spend time hiking, playing volleyball, and doing photography and card making.

What's Been Happening: Hello All! I had a great time at UWML with all of you, and thank back on those times often. For the past five years, I've been teaching 4th grade in Black Hawk, South Dakota, which is part of the Rapid City school system. I taught in Las Vegas, Nevada, right after graduation until 2003, but was always trying to move back to the Midwest. I met my wife, Kim, while teaching in Las Vegas, and luckily she loves the Midwest too! Take care everyone, and look us up if you're ever vacationing out here in the Black Hills.

What's Been Happening: I moved to California from La Crosse in February of 2002. It has been an adventure. I revived my baseball career and still pitch for a local baseball team called the Oroville A's. I have a beautiful, and brilliant wife who is an Accounting Manager for Sierra Nevada Brewery. I have a 5 year old daughter who is in the Spanish immersion kindergarten program at Parkview Elementary School and we also have been blessed with a baby on the way due April 28th, 2009. I am a top Senior Sleep Expert for Sleep Number by Select Comfort in the Chico Mall. I also attend the Neighborhood Christian Church in Chico and love reading my Bible and praying for the ministering to people. I love playing fantasy sports on the internet and have accumulated over 40 trophies since 2003. I thank all of you and the days we had in La Crosse and glad we all made it through alive. Wow, those really were some crazy times we had. Truly wild, and amazing and blessed that I had everyone of you in my life. You really are all some of my very awesome people. I hope we are all together in Heaven. Jesus is coming back soon. Get ready and start believing the truth. He is the truth. God bless you.

What's Been Happening: After graduation in 1992, I moved back to Kenosha, Wisconsin to continue my job search. In 1996 I started in the cellular industry with US Cellular, and am still there today, as a Retail Store Manager for 6 locations in Kenosha. I am very fortunate to be with a company that I truly enjoy working for, and look forward to many more years there. In 1999, I married my wife Lisa, and our family has been blessed with two wonderful children. Our daughter Rylee was born in 2003, and our son Brady was born in 2007. Lisa continues her successful career at Johnson Bank in Racine, Wisconsin. Our time away from work sees us enjoying the kids and their activities. Rylee loves swimming and gymnastics, and Brady is still too young to have his favorites, but loves being around his sister! Lisa and I enjoy our adult time at the gym or on the golf course when time allows. I loved my time in La Crosse and have many fond memories of the people, the university, and the town.

What's Been Happening: After UW-L, I attended UW La Crosse and graduated with my J.D. in 1995. Since I learned so much from my UW-L study overseas in Caen, France, I took the opportunity to study in Groningen, the Netherlands, during my law school years. I worked as a law clerk and legal assistant during those years too, working for a small law firm, a larger law firm, with a UW professor, and with Justice Shirley Abrahamson (not all at the same time, of course). My first position as a lawyer was with the same small firm at which I had worked as a legal assistant, making the transition into 'lawyering' a smooth one. In 1999, I started my own solo law practice, which continues to keep me occupied. During my law school years, I met my partner and future husband, Joseph Peary. Our mutual friend introduced us after he realized that we were a great match (yes, even with our odd sense of humor and senses of creativity). We had a lovely wedding ceremony in 2001 with our families and friends (alas, Wisconsin law does not currently recognize the union). We enjoy time with family and friends (and our two cats at home), creating canoeing, kayaking, dining, shopping, and other recreational activities (no, not with the cats; they stay at home). In 2007, we welcomed my niece, Ella Rose Mickelson, into the family. My brother and sister-in-law are fantastic parents; and we are proud uncles now!

What's Been Happening: If I think about returning to La Crosse I am most drawn to drive up to Grandd's bluff and to savor the view at dusk in February and to watch the snow fall across the quiet city. My second favor is climbing apple trees during the annual apple harvest in Minnesota. There is great fun with all of my Recreation Student family. Kayaking on the backwaters of the Mississippi are included in the best experiences of my life so far.

What's Been Happening: Since attending UW-LaCrosse, I moved to Phoenix, AZ; taught there for 7 years and met my new husband! We both love to scuba dive, so we did much traveling to Mexico and California to get wet and enjoy the beautiful marine life. We decided to throw caution to the wind, cut our jobs, sold the house, vehicles and most everything else...and bought one way tickets to Maui to begin our new adventure! Once we arrived and took our first walk on the beach...we just knew this would be our new home! At first we started out in the scuba dive industry...but I missed the kids too much, so I returned to teaching. Prices of everything are outrageous here, but you learn to live a more simple lifestyle with less of the frills and just enjoying the awe and beauty of

living in paradise. We can scuba dive 365 days of the year by simply walking in the ocean, right off the shoreline! Year round temperatures average about 80 degrees...no more snow shoveling for this cheesehead EVER!! There is a large "Packer" following here, we get together at a local sports bar. Sometimes as early as 8 AM due to the 5 hour time difference! Life is great! Sea ya!

What's Been Happening: My favorite memories of being a student at UWL involve meeting and spending time with my friends on 2 Long in Wentz Hall. Those friendships helped me set a foundation for the leadership roles I took and continue to take on. I enjoyed my time as an RA and a Vanguard so much, that I continued on in my life after college by working in the field of Higher Education, mostly in the area of Housing and Residence Life. I've lived in Kentucky, Tennessee, Missouri, Texas, and most recently back to Wisconsin. I work currently as the Assistant Dean of Students and Director of Residence Life at Alverno College in Milwaukee, WI. I have one daughter, Faith, who is 11. It is nice to live around family again and to be back in Wisconsin. Life just keeps getting better!

What's Been Happening: Since graduating in 1991 I had spent 2 years selling Radio Advertising and then two years as a Marketing Director for Broadway Entertainment promoting concerts all over the Midwest (possibly the greatest job known to man). In 1994 I headed west to CA and landed in San Diego (suburbs) with a firm based out of Milwaukee selling dental supplies and equipment. In early 1997 I was recruited by Henry Schein Dental as their first Field Sales Consultant in the San Diego market where I have been working as a dental rep/consultant ever since. I married in late 1997, and had two wonderful children/women/y now former wife, Jacob Ryan (almost 9) and Lauren Makenna (6). I've been divorced single again since 10/02 and will probably marry the greatest woman alive (Jen...and her 3 year old son, Santiago) before the end of 2008. My favorite memories of UWL all revolve around the social fraternity AKL (Alpha Kappa Lambda) which I pledged in the spring semester of 1988 (Jesus...20+ years ago). Without fail the greatest and most sensational group of gentlemen I have probably ever known. The memories and etched in my mind and will never fade... "We Are... John's Bar!" Altheia Kai! What's Been Happening: The experiences at UW-L prepared me to run my own company which has taken my consulting staff around the world as well as coast to coast. I currently live just outside Seattle and love it! The weather is like La Crosse in the summer...but there are no mosquitos! All year long! I've managed to publish four books (all technical topics)...except for the "ghost hunting" book about spooky stuff in the Pacific Northwest. Still married to my high school sweetheart, Nancy. Our three boys have flown the coop. Mike (another UW-L grad) is an accountant in Colorado Springs! We enjoy boating on the Puget Sound, but the water is just not as warm as the water in the Mississippi where we learned to boat.

What's Been Happening: Hi Everyone! I miss you all so much! My years at UW-L were some of the best ever. I made some great friends, and unfortunately over the years I have lost track of many of them. If any of you are reading this, please feel free to contact me. I'd love to hear from you. After graduating from UW-L, I did leave La Crosse for a couple years to go to school at Oregon State, but then returned and have remained all of these years. La Crosse is really a nice place to call home. Today I am a software developer for Trane here in La Crosse. I really love my job and work with wonderful people in a very nice work environment. I still live near the university, and enjoy the easy access to hiking trails in the marsh and in Hixon Forest (which my dog also appreciates). I really enjoy Fall weekends, sitting out on my patio and hearing the roar of the crowd and the marching band at the UW-L stadium. I really take me back to my college days and evokes a feeling of nostalgia. I have the most wonderful husband Mike and dog Mandy. They bring so much love and laughter into my life. I don't know what I would do without them. Mike and I enjoy traveling and are planning to go to China in 2009. Life is good!

What's Been Happening: I have worked for Kewaunee County for the past nine years. I named my high school sweetheart, Brad, and we have two kids (Andrew, age 8; and Rachel, age 6 1/2). Brad practices Podiatry in Door and Kewaunee Counties. We also work from home as landlords and candle-makers. Every few years we like to take a trip to La Crosse to check out campus and the different places we lived as students - some of those old houses are gone, which is a good thing. And our kids love to see where we went to school. We didn't really notice how lovely La Crosse really is until we went back after graduation.

What's Been Happening: Hello fellow classmates! After graduating from UWIL with a degree in Nuclear Science worked in the Twin Cities area for 5 years providing mobile Nuclear Medicine services to outlying hospitals. In 1993 my wife (Sandy Steiner) came (age of 93) and I moved back to the La Crosse area to be closer to our families. In October of 1993 we opened our first retail store, Treehouse Gift & Home, and have enjoyed being our own bosses for the past 10 years. We currently reside on the outskirts of La Crosse and enjoy everything that this wonderful area has to offer.

Kyle's Been Happening: Upon graduation, I taught in Fond du Lac, WI (hired by 2 UW-L alumni). In 1998, I married another alum. Chris Kolak (Class of 1992 And 1996). We live in Janesville, WI with our two boys (7 and 5) and our dog Shelby. Chris teaches at Edison Middle School in Janesville and I teach at Whitewater High School. I recently returned to the university to visit with a friend, my first time in 15 years - I was amazed at the memories that flooded back and I felt so comfortable walking around campus. A lot has changed, but more sure seemed the same.

What's Been Happening: Life is nuts... I'm a single parent with five kids, and loving every minute of it! I became self-employed in 1999, and I am the owner of an independent insurance brokerage called Sigma Benefits. The flexibility it gives me with the family is great. Still living in La Crosse, coaching soccer, playing guitar, and after a close call with cancer I'm staying healthy and glad to be alive.

One's Been Happening: Life just keeps coming at me and it isn't slowing down. I continue to work for Milwaukee Public Schools at the elementary level. I've enjoyed my years teaching but have loved my years as a mom. What's Been Happening: Since college, I've worked at many companies that sold insurance both health and finally life and even a company that sold food to grocery warehouses. Then I took on the role of mother to our 3 beautiful children ages 6, 2, and 5 months. I also manage a home business as a Creative Memories consultant. This year marks my 10th wedding anniversary.

What's Been Happening: Two thumbs up for all professors at the Department of Finance, Economics & Management, including all administration personnel in international student office, registrar, library, computer labs, and for sure, the cafeteria! I learnt so much from you (I am interested in joint papers for publications with you). Use Graham, Dr. Rick Callaway, Dr. Dianne Morrison, Dr. Tom Krueger, Dr. Wahhab Khander, Dr. Nyalet-Corn, Dr. Leticia Pene, Dr. Reis, Dr. Cravins, Ms. Lisbeth Reynoldson, Ms. Nadine Beetzley, Ms. Pam Glasfloth, Mrs. Amelia Dittman. Since I have left UWL, I worked on my master (so did my wife, Irma), at Edgewood College, Madison. I managed to take on another master degree in Education, and now I am working on my doctorate degree in Strategic Management. Aside from managing my clothing & accessories store and an English teaching institution, I am also lecturing at Swiss German University in Indonesia. I would like to get a hold of all alumni from UWL to seek out opportunities to do business together..... we have lots of handicrafts and unique clothes. Exporting is certainly possible!! Anybody? Just drop me a line at *bmw@bdg.centrin.net*

What's Been Happening: I left UW-L with a ME-PI2 to teach Social Studies. I ended up teaching English as a Second Language. I subbed for several years, then went back to school and picked up the ESL license. I taught two years in west Texas, then came back home to the "Northland" where the color is widespread and there is plenty of water on the landscape! I've been teaching ESL in Furbault for the last 8 years. Many of my happy memories of UW-L involve going out after night classes, usually to the Eagle's Nest (I think it was its name). The classes were great, but hanging out after class, sometimes with the professors (these were grad classes), was better!

What's Been Happening: After graduating in 1994 I traveled the country for a few years. I lived in Los Angeles for a couple years until I moved back to Wisconsin in 1999. In 2000, I got a job working for the State of Wisconsin as a probation/parole officer and lived in Milwaukee for 4 years. I then transferred my position in 2004 to La Crosse in order to buy a house and I did that.

What's Been Happening: After UW-L, I graduated from Marquette Law School and am now an immigration attorney specialist in Los Angeles County and with a sub-office in Riverside. My law partner is my wife, Lillian, who grew up in California. We have two children, Isabella (3) and Robert Jr. (Bobby) (1) and live in the "OC" Orange County - Fullerton. My wife has visited and loves both La Crosse and my hometown, Milwaukee. I have kept in touch with alumni in California ("Delatag West") and "back home" through numerous visits. And UW-L has successfully begun a presence in Southern California through Chancellor Kuipers and other faculty visits, football games against Azusa Pacific, and alumni social events coordinated by the Alumni Office and Al Trapp. My fondest memories of UW-L include Cross Country, Delta Sigma Phi, Track, Delta Sigma Pi, Thursday nights, skip out, the Cellar (65 cent drinks), Coate Hall, 1429 Main St., the deck, Student Association, Brothers, the Alpine, the river beach, Pizza Doctors, the Alumni Office, Whitney, North Hall, YITBOS, and Honda Spryee rides downtown and in the snow. What a fantastic place! Fly like an Eagle!

What's Been Happening: Since my wonderful days at UW-La Crosse, I have been in the development and alumni affairs field. I have spent time in NY, ND, Southern Minnesota and have been in my current position in Northern Minnesota since 2004. Currently, I am the Director of Development at the Labovitz School of Business and Economics at UMD. In my personal life, I have been married for 13 years to my college sweetheart Jennifer (Kinski) Johnson '95. We have three children, Shelby is eight, and twin boys Aidan and Sawyer who just turned two. UW-L will always be special to me because of the great times spent there, this is where I met my wife and where I got my start in a career I love.

What's Been Happening: After graduating in 94, I joined the staff of Campus Crusade for Christ. My husband & I then moved to Grand Forks, ND where we worked at the University of North Dakota for 5 years. Our daughter Amanda has been there in 1997. In 2000, we moved to the Milwaukee area where we continue to serve with CCC and have also added 2 boys to our family: Aaron in 2001 and Andrew in 2002. Because our lives were so impacted during our college years, we have committed ourselves to continuing to work with college students and helping them explore their faith while on campus.

What's Been Happening: The past 14 years in 250 words or less... Graduated December of 1994. Began working for a jewelry company before interviewing with Kimberly-Clark. Started working for Kimberly-Clark in May 1995. I spent over 7 years working in Corporate Purchasing (Sourcing & Supply Management). I moved to the Information Technology department working on employee training, intern and new hire programs. Currently continue to work in ITS. More importantly, I met my husband Phil at Kimberly-Clark. We were married in June 1998. In December 1999 we welcome Emily Rose into our lives. In May 2002 our family was complete with the arrival of Amanda Marie. We live in Neenah, WI. I still keep in contact with a few very special friends I met while at La Crosse. Betsy and I met while on staff together in Hutchison. She is like a sister to me. Our families are very close and we often joke that we think we married long lost twins in Steve and Phil. I loved my years at UW-L! I miss many of the people I met over the years who I lost contact with and hope everyone is doing well.

What's Been Happening: Pam (Maier) and I met in the summer of 2001 while at UW-L. It seemed like love at first sight. So, I proposed to her while wearing a gorilla suit, in Morns Hall, after she had finished Science Methods. After Pam and I were married, I taught part-time in the Viroqua and Baraboo School Districts, and then I was in Mauston for 11 years. I am currently finishing my second year teaching for the Waunakee Community School District. I teach 3rd grade and will loop to 4th grade with my class next year. I also teach Graduate Courses for Cardinal Strich University. This past May I was accepted into the Teacher Leadership Program sponsored by the Bill and Melinda Gates Foundation. Pam taught in Sauk Prairie and Lodi before going to Mauston for 11 years. Pam is currently working part-time for the Waunakee Community School District as an LD Diagnostician. She works in all three of the Elementary Schools and the Intermediate School for testing and assessment of students to see if they have a learning disability. The other days, she is still working for Lands' End as a home agent for customer sales. Pam has been with Lands' End for 5 years. Our oldest son was born in 2001 and the triplets in 2003. The kids are totally a blessing, since I had cancer in 1997 and was told we may never have children. But, we are now blessed with four wonderful children.

What's Been Happening: Since graduation, I've worked for several newspapers, including weeklies in southeastern Minnesota and the Twin Cities, the Green Bay News-Chronicle and the Inland Valley Daily Bulletin in Ontario, CA. I've been with The Associated Press since 2000, including two years in Milwaukee and the last six in Madison. In 2001 I was selected as the Mike Wallace Investigative Reporting fellow in the Michigan Journalism Fellowships program, now known as the Knight-Wallace Fellowships at Michigan, at the University of Michigan. I live in Sun Prairie, WI, with my wife, Karen, daughter, Gracelyn, and son, Evan.

What's Been Happening: UW-L was a great experience for me, both academically and on the playing fields. During the day I came across some great teachers and in the afternoons I played alongside many incredible athletes, several of which went on to compete professionally. The experiences I took from UW-L has led to the successful company I now have with my brother and fellow Alumnus, David Richter (92). We've had a multimedia business in Chicago for over ten years now called Richter Studios. We've traveled all around the world shooting commercials and creating interactive experiences for our clients. I have a wife and two kids now (Ethan and Casey). I married Valerie Stenseth (UW-L Class of '90), who was a sprinter on the track team. We both loved our years at UW-L and have our fingers crossed that maybe our two sons will attend UW-L as well. What I learned most from college was that if you surround yourself with great people, great things will inevitably happen. It's a formula I will always abide by and feel fortunate to have learned during my years at UW-L.

What's Been Happening: Since leaving UW - LaCrosse, I have lived in several different states with my husband, Brad, and when given the chance to return to Wisconsin, we had to come back. We have two wonderful boys, Matthew who is almost 11 and John who is almost 8. I have returned to school to obtain two teaching licenses and will earn the third by December 2008. I am currently working as a Director of Youth Ministries for the United Methodist Church in the town where we live and I will continue to look for a teaching job within my licenses.

What's Been Happening: I have been married to Michael for 9 years and we're the proud parents of twin boys age 1. I have completed a Master's Degree in Health Education from Carroll University and on top of teaching full time and raising a family, I also teach an undergrad class at Carroll University occasionally when needed. I was fortunate to be able to be a part of the Screaming Eagles Marching Band at UW-La Folie for one year and regret not being in it longer. It was a great time and we had wonderful experiences at numerous college and NFL football games.

What's Been Happening: I graduated in 1994 with a BSc in Sociology/Anthropology. I married Steve Wagner (a Canadian) and we have had three children: Jobe (1), Eden (10) and Sophia (8). I graduated from Gateway Tech College in 2004 and now work as a Registered Nurse. My favorite professor at UW-La Crosse was Sheldon Smith. I loved my time at La Crosse. I found it to be the perfect fit for me since I came from a small private high school. Not too big, not too small. Fave class: a PE horseback riding class in the bluffs!

What's Been Happening: After graduation from the AF/CP Program, I worked in cardiac rehab for several years before taking a job with a local public health agency. I worked for several years in the schools and communities on tobacco, alcohol, and teen pregnancy prevention before switching gears to smoke-free policy work. Our grassroots efforts helped to make MN a smoke-free state and the response has been overwhelmingly positive. I am also a part-time realtor and personal trainer. I have a fabulous 7 year old daughter and was recently divorced after almost 14 years of marriage. Looking forward to a new start and new challenges!

Dolan and Christina are our "pride and joy" to be cliché and they keep life fun and interesting. We didn't want to raise them in Minneapolis, though, so we then moved to Sarrell and I am now currently employed at the Central Minnesota Heart Center at St. Cloud Hospital. I work in the stress lab and do Mobile Nuclear Medicine Outreach. Mobile is a new experience and I had to get my CDL to drive the mobile units. I have been here almost 5 years. I spend most of my free time with family/friends, and at gymnastics and karate classes with the twins!

What's Been Happening: Since my time at UW-L I have been an officer in the US Army. My field has been tanks where I have worked in various staff positions from company to the brigade levels, and have commanded tank Soldiers at the platoon and company levels. Upon graduation and commission as a second lieutenant, I went to Fort Knox, Kentucky for officer basic training. I then spend four years at Fort Hood, Texas, where my wife Liz and I were married in 1998, joining us with her wonderful daughter Miranda (now 15). Our first son, Riley (now 9), was also born there. In late 1999 we moved to Fort Knox again for seven months of training, and then moved to Fort Riley, Kansas for four years in the First Infantry Division, where our other two sons, Evan (now 6) and Will (now 4), were born. I was then selected to teach in the Department of Geography and Environmental Engineering at the United States Military Academy at West Point, so we moved in 2004 to Madison where I earned an MS in Geography at the University of Wisconsin in 2006. I am now beginning my third year of teaching in the department, and will finish my assignment here this spring, so our family is already beginning to think about our move next summer to the D.C. area.

What's Been Happening: After graduating from UW-La Crosse, I went onto Carroll College and graduated with my Master's degree in Physical Therapy in 1999. I have been with Wheaton Franciscan Healthcare since 2001 working in outpatient orthopedics. I was lucky enough to meet my husband, Daniel, through friends and we married in September, 2004. We enjoy traveling and our favorite place to go is Aruba - a friendly people, great food, fruity drinks and always wonderful weather! I highly recommend it! I continue to run and have been competing in triathlons for the past 9 years. I dearly miss my Track and Cross Country teammates and Hutch Hall dorm friends. I'll ever in the area, please feel free to drop a line or give a call - would love to catch up!

What's Been Happening: Most of my favorite memories from college include the fun times I had with the Marching Chicks/Screaming Eagles. I learned a lot about teamwork, dedication and perseverance while part of Doc's family. Most of my friends today are those that I met while in the music programs at UW-L or through people there. I also will miss Bard Hall, which was my "home away from home" for three years. All of the college experience there helped prepare me for life after college. Some of the funnest moments I remember are from when I hosted "Alternative Night" at The Cellar in Cartwright Center (back when it was the campus bar & grill). The Halloween Costume Contest was always a hit, and we pulled students from neighboring Viterbo College for dancing and good times every week on Thursday nights. As an update, I have been living in the Twin Cities metro area since 1995, have been happily married for almost 3 years. I'm working in the IT Support industry, where I got my start at UW-L. ahsol-a)

What's Been Happening: After graduation, I took a job teaching high school math in Virroqua, WI. It was there that I met my husband. We were married in 1997. In 2001, his job as a contractor took us to Virginia where we've been living ever since. We have two daughters, Kiley and Alana (born in 2005 and 2007), and are expecting a son sometime around New Year's Day, 2009. Since our children have been born, I have been at home with them. I still do some math tutoring on the side, but my main job is "mom".

What's Been Happening: Since I had graduated from the University of Wisconsin-LaCrosse in 1995, I had received an earned doctoral degree from The Ohio State University in 1999. During my studies at The Ohio State University, my wife (i.e. Tammy T. Webb) and I had a son (i.e. Dominque D. Webb) on December 21st, 1995. Subsequent to both my wife (a graduate student in the College of Social Work) and I graduating from The Ohio State University, I had accepted an Assistant Professor position at Mississippi State University in the area of adapted physical activity (i.e. Special Populations). While employed at Mississippi State University, my wife had enrolled in their doctoral program in the area of Counseling. After my wife earned her doctoral degree from Mississippi State University in 2002, my wife and I were offered dual appointments as Assistant Professors at North Carolina Agricultural and Technical State University. On February 24, 2004, my wife and I had our second child (i.e., Devyn-danielle V. Webb). Currently, my family and I reside in High Point, NC. In retrospect, I sincerely enjoyed my educational experiences at the University of Wisconsin-LaCrosse. In particular, I enjoyed the nature of my interactions with my professors and my peers in the graduate program. To that end, I hold the University of Wisconsin-LaCrosse near and dear to my heart

What's Been Happening: I have been living in Portland, Oregon for almost 12 years. I am getting married on September 20, 2008. I have a wonderful black lab named Ira who stole my heart. I bought a house and renovated it. I was a practicing Archaeologist for 13 years and finally will be retiring this week to start a family. Hopefully, I will get a job in Education with my MEd that I have had for the last seven years. Every now and then I think back to La Crosse and only remember that it was the best time I've had in my life so far. Thanks UWL!!!!

What's Been Happening: After graduating I took a full time job at Northwestern University as a Strength and Conditioning coach. While working there I became interested in the sport of Olympic Weightlifting. After a year of competing I was accepted into the Olympic Training Center in Colorado Springs, CO. I resigned from my job and moved to Colorado January 4, 1999. I have been training here at the Olympic Training Center ever since then. I was an alternate on the 2004 and 2008 Olympic Teams. I have competed in many World and Pan American Championships as well as the Pan American Games. I hold all of the American Records in the 58kg class. I am currently going to train throughout the 2012 Olympic Games in London before I retire.

What's Been Happening: Since graduating from UWL in 1996, I have been employed at Mendota Mental Health Institution in Madison, WI. While here, I have worked with maximum security adolescent offenders (7 years) and maximum - minimum adult male forensic mental health (3 years). Work provides constant activity and challenge - but not nearly as much as raising my 3 year old son! While my education at UWL provided me with information for the world of work - my son has been one of my best teachers - showing me how to again enjoy even the most simple things in life! I look forward to experiencing a lifetime of fun and education courtesy of my greatest source of joy!

What's Been Happening: Wow everyone, does this bring
back some memories or what? Just think about all that has
happened since leaving. Well here's the boring stuff... just
kidding. After leaving La Crosse and completing my internship
at Marshfield, I headed down to Decatur, IL, to join the "real"
world. I am married to a wonderful husband, Corey. We have
3 daughters, Kayla (11), Krysten (8), and Kenna (9 months)
and a dog Fletcher. He's the token male that make my husband's
side of things of stride...not that that ever happens. Like you
all, we are a hormone free household and loving every minute
of it!!! We keep busy with travel, hunting, work and owning
two businesses. We love to entertain, have fun and be a
blessing to as many people as we can while here on this big
ball of mud. Thank God we live in the greatest country on
earth and our thanks and prayers go out to the troops and
their families for keeping us safe. You'd now find us out in
the woods close to Packer territory. I'd love to hear from
anyone who remembers me or maybe some that don't that
ended up in the same area. I always have time for old and
new friends!

What's Been Happening: After graduating from UW-La Crosse, I started working in Madison for a local CPA firm. After working there for while, I went to join one of their clients, TDS, Inc. While at TDS, I went back to school and earned a Master's degree in Taxation from UW-Milwaukee. I was employed at TDS, Inc. for almost nine years. For the past year I've been working in Beloit, WI at Kerry Americas as a US Tax Manager. For the past 8 years, I've made my home in Janesville, WI. I have three great kids (ages 6, 3, and 1) and I enjoy every minute with them.

work as a Minister of Music at a private Lutheran school. I taught K-8 music and then directed all of the music at the church. After three months I realized that job wasn't humanly possible. As odd as it seemed, I missed the small town life of Arcadia and the fact that there were no stop lights or traffic to deal with. I was also one with the fact that there were no Krispy Kremes or pizza delivery because the pounds were starting to add on. Arcadia had become home and I had developed a great support system and family. Fortunately, when I was teaching, I was also directing the Senior Choir and a children's choir at the ELCA Lutheran church in town. A position had opened up since I had left and they had offered it to me. Since January 2000, I have been a Minister of Music, Youth and Education program (kind of a long title) here at the church. It has been a very rewarding experience. Thanks UW-La and the music department for getting me where I am today!

What's Been Happening: After graduating from UWL in 1996 I worked for Midwest Security Insurance Companies in Group Administration. In 2000 I left my position at Midwest to start my own In-Home Daycare. I was also married in October of 2000, to Jason Leis. I joined Tupperware in 2003. After having a baby, I realized I still wanted to work from home, but not with the crazy hours of the daycare business. Ultimately in 2005, I closed the doors to my daycare and have been running a successful Tupperware business with 30+ team members ever since. Jason and I have been fortunate to travel to Hawaii, Florida, Las Vegas, Denver, and many other places compliments of Tupperware. We currently live in Westby, WI with our 3 year-old daughter, Abby. My dreams for the future are to run a Scrapbooking Inn here in Westby or to become a massage therapist. Greetings to all members of the 1996 Class and I hope this note finds you all happy and healthy!!!

What's Been Happening: I have been teaching eighth grade English since I graduated in 1996. I taught for three years in Oshkosh and have been teaching in the Wayzata Public School system in Plymouth, MN for the past 10 years. I married Brian Marcouiller in 2007 and we live in South Saint Paul, MN. I still see my college roommates at least once a year, and we love coming back to La Crosse to see how the campus has changed and visit all of our old haunts. We are forever proudly connected to UW-LA.

What's Been Happening: It has been 12 years since I graduated UWL with a music degree! I miss my days in the marching band, Mannerchor, orchestra, theater productions, music classes and whatever else I could get involved in! My wife, Stephanie (who I met at UWL) and I celebrated our 10 year wedding anniversary this year! We have two gorgeous girls who are already in school; and three micro-mutts who round out our busy household. After UWL, I attended the North Carolina School of the Arts, studying film and music composition. Without the encouragement of my teachers at UWL, I would have never been applied - but they insisted! After I graduated, we decided to give NC a try, and have been here ever since. I have been working in music/film/TV, marketing, advertising, new media, technology - and most recently, I'm back in the entertainment biz! Now I'm working on starting my very own entertainment network called WorldArts! (Keep a look out!) UWL provided an excellent foundation for my career. It's the perfect blend of a small-town university with a big-time feel. My mentors were amazing, from Joyce Gnl and Tony Molina - to all my friends in the Drum Line and all my peers. I wouldn't trade it for anything! I can't wait to bring my kids back one day and show them where it all started! Thanks UWL! GO SCREAMING EAGLES!!!

What's Been Happening: Hi All, Well, my son, Derrick, who was not even in kindergarten while I was in undergrad at UW-L, is now driving and starting his junior year in high school. Workwise I just started one of my two dream jobs, working for Best of the US amateur triathlon national competition. For curiosity sake, my second dream job would be something in politics. There is plenty time for that later. For pure joy I am still running and doing the occasional triathlon.

What's Been Happening: I got my teaching license/Masters degree at UW-Whitewater and then taught science 9, chemistry, math, & biology at Arrowhead H.S. in Hartland, WI. I married my childhood sweetheart, E.J. Bantz in 2001. I "retired" from teaching in Nov. 2005 when my first daughter, Breanna, was born. Now I am LOVING being a stay-at-home mom to my two daughters (Elaina was born Jan. 2008). E.J. is a computer programmer, an entrepreneur - he works really hard to keep our family afloat - and he is a FANTASTIC father & husband. We are totally livin' the dream!

What's Been Happening: After working in the college recreation services field since graduation, I have made a career change and moved into the non-profit sector. I'm now working at Planned Parenthood, working with medical providers to educate them on the needs of the LGBT community in regards to their health care. My partner Cheryl and I also bought a house, and we continue to foster dogs with behavioral medical issues in our home until they are ready for adoption.

What's Been Happening: On December 2004, I received a heart transplant due to congestive heart failure, that was onset from a birth defect. At 8 months the defect was repaired, but unknown to any of us at the time, the sheer process of repairing my heart also set it up for future devastation. Since then I am living on permanent disability after a successful career in the IT field, and am now considering going back to school for Nursing or counseling.

What's Been Happening: When I graduated from UW-La Crosse, I lived in Minneapolis for a year and then in Madison for 5 years. While in Madison, I worked at Silliker Laboratories as a Microbiologist. It was while in Madison, I met my husband, Dan. We moved to West Bend in 2004 for our jobs. My husband works for Quad Graphics as a Manufacturing Engineer. We bought our first house and got married in September 2005. I got a job at Lallemand Specialties as a Quality Assurance Coordinator which I have been since 2007. We recently welcomed our first child, Abigail, on July 29, 2008. Since then, our life has never been the same. While in college I spent my first 2 years in Laux Hall. Even though it was a long walk to Whitney and to house parties, it was the place that I made a lot of my good, long-lasting friendships. During all of my years in college my better known nick name was "Rat." Some of my peers never even knew my real name since it seemed like everyone knew me as "Rat." Even today, some people still call me "Rat." I have many good memories of my time at UW-La Crosse, and would encourage anyone to go to school there.

In 2000, I got married to Brent Loveless who works with various computer/storage programs and is a contractor working for the government. I quit my job in 2004 when we had our first daughter, Hannah. I have been a stay at home mom since. In May of 2008, we welcomed our second daughter Holly. Everyone is doing well. I hope when the kids are in school I can get a job within the school system.

Our goal is to travel as much of the world as we can. We hope everyone has been living the adventure life!!

What's Been Happening: Upon graduating from UW-L I worked for the Wisconsin Department of Tourism for 1 year where I discovered my passion really was in student affairs. I decided to accept a position as an Academic Counselor at UW-Platteville for 2 years and then left Wisconsin to go work for the University of Michigan. While I was working as a Coordinator in the office of Multi-Ethnic Student Affairs, I earned my Master's in Counseling and then accepted a position as Co-Director of Counseling and Student Support at the University of Michigan Medical School. Seeking for a new adventure, I recently accepted a position at Well Cornell Medical College in Qatar. Qatar is a small country right next to Saudi Arabia. The program is split into a 2-year Pre-Medical Program and a 4-year Medical program that confers their MD degrees. It has been a great adventure!!

What's Been Happening: After graduating from UW-La Crosse, I moved to Eau Claire, WI to work at a bank as a Management Trainee. After 2 years, I left banking and went to work at United Health Group as an Information Specialist. I stayed there for 5 years until I met my husband and moved to Okauchie, MN. I doubleed in the mortgage industry for 3 years (my husband and I had a business). I found the stress of the business was not worth it. In the meantime, we moved back to WI (Hudson area) and I had also gotten my Yoga Instructor Certification and I started teaching yoga around the surrounding communities. After 5 months of teaching I opened Inspiring Actions LLC, Yoga Studio & Wellness Center, the very first yoga studio in Hudson. I absolutely love having my own business and being able to do something I love.

What's Been Happening: After graduation, I taught fifth grade in Waterford, WI. Gary Nelson and I were married in July of 1998. I continued to teach fifth grade until 2001 when my oldest daughter, Lauren, was born. I then switched to kindergarten for three years until my boy/girl twins, Ty and Avery, were born. Since their arrival, I have been a busy stay at home mom, a part-time caregiver for an elderly couple and a Tastefully Simple consultant. My 4 year old son, Ty, was diagnosed with leukemia in Feb. of 2008 and we have been busy fighting the monster that cancer is since then. He is doing

wonderfully overall and we have been blessed to have the prayers and support of many. If you would like to check up on us, please visit Ty's caring bridge site at www.caringbridge.org/tylison1 I cherish my memories from UWLa and Gary and I go back once a year to meet up with some of our classmates. Despite our age, we still manage to have a great time!

What's Been Happening: I am currently teaching Art at Pulaski High School. 2008 marks my 12th year working for the Pulaski Community School District, located 15 miles from Green Bay, WI. I am married with two children, Sophia - age 7 and Eric - age 3. My greatest memories of UW-LA are the friends made living and working in the residence halls. I look back at those years with fond memories. The late night runs to Classic Burger, Mr. D's Donuts, and the study sessions at the "Library" and "Eagles Nest." I was always a sucker for "just one more." My most memorable memory of the residence hall was making the swimming pool in Coate Hall. It was a good effort by all involved. There are so many possible stories to tell, from working in the residence halls, to playing lacrosse, to working late nights in the art studio. La Crosse is a great place and holds a special place in my heart. Thanks!

What's Been Happening: I am actually back in school, "finishing my BSN through UW-Oshkosh. No worries, I am especially fond of UW-L. I am married to Jon and we have one son, Bryce, who just started kindergarten! Time just flys! Jon teaches Special Education and I work at Aspirus Wausau Hospital. I'm wishing for another snowy winter, as I enjoy my Wisconsin winters cross-country skiing.

What's Been Happening: Most of my favorite memories involve the Screaming Eagles Marching Band with Doc A and my work with the Theatre Dept. I had a lot of wild times and really developed as an adult because of those experiences. During school, I worked at the campus radio station WLSU and basically followed I into a professional career. I'm currently working for the biggest radio company in La Crosse where I spend my days making commercials, doing a night show on Classic Hits 94.7, and, of course, have wild times. I'm married to my job and don't have any children... unless one of my fellow alumni have a surprise for me.

What's Been Happening: Greetings fellow Alumni from the
 Class of '98. It has been ten glorious years since "Spy Tech's"
 92" Aqua Le Baron Convertible has cruised the streets near
 campus. Even though I'm only able to make the voyage to La
 Crosse a few times a year, I still remember those magnificent
 years spent at UW-La Crosse. I remember the Chinese fire
 drills on 3rd Street in August and going to UW's football
 games with my friends in September. I still envision myself
 rioting down to the "World's Largest Six-Pack" after the
 Packers defeated the 49ers (Monday Night Football), and
 then again when they won Super Bowl XXXI. In November,
 we had to walk to class in the freezing cold or we'd play those
 late-night football games. In addition, I received a special "VIP
 Blue Ticket" from the Dean of Liberal Arts to see President
 Clinton. I was the first intern at the Health Science Center
 when it started in the North Hall. When April came around,
 the girls and guys from Hutch Hall hiked around Hixon Forest
 or headed down the Mississippi River for the day. I was
 handed my diploma on Mother's day; that was an absolutely
 splendid day. Overall, I had the time of my life while attending
 UW La Crosse, and I am extremely proud to call myself an
 Alumni member. If I missed something that we did together,
 I would love to hear from you via e-mail or phone.

What's Been Happening: I've been a 1st grade teacher and have lived in the Janesville area since graduating in 1998. I can't believe it's been 10 years. The campus has changed so much since then, not to mention La Crosse and the surrounding area (no Mr. D's????!!) What I will always love about La Crosse is the lifelong friends that I made and the memories of our times as college students.

What's Been Happening: Since graduating from UW-I in 1998, I returned to school at Edgewood College to get my teaching license in grades 6-12, broad field social studies. I married my husband, Joey, in January 2006 and in May of 2008 we had our first child, Sawyer Joseph. I am currently working as a teacher for the Monroe School District at the virtual middle school. I am also back in school to get my masters in special education. We live in Belleville, a small town about 20 miles southwest of Madison. My husband works on his parent's dairy farm. In my spare time I enjoy running and competing in triathlons. I participated in the 2006 Ironman Wisconsin Triathlon, but since having Sawyer I have scaled back and just get out and do what I can, when I can!

What's Been Happening: After some great years at UW-L, I wandered the globe a bit (Australia, New Zealand, China, Russia, etc.) only to return to the great state of WI and find my real job/ministry. I knew little about Rawhide Boys Ranch in New London, before they fell into place and I was hired. I now have been employed here for years (cross categorical special education) and am just getting warmed up! In 2002 when I arrived at Rawhide, I met an amazing woman (Lisa) that would soon become my wife, and we celebrated our 5th wedding anniversary last July. In April of this year, we had a son born to us, Isaac James Behnke. What a blessing he is! Together, we remain very involved at Rawhide, enjoying our church, running many miles together, and participated in a vision trip to Africa. Additionally, we are spending heaps of time with family (including many road-trips to eastern PA, where Lisa grew up). Favorite memories from UWL: Awesome people at Campus Crusade for Christ, Parker Super Bowl Win, Spring break trips to Panama City Beach (with CCC) Blessings. CJ

What's Been Happening: I was a returning student and had a hard time but I did it! Got a double major in Political Science and Public Administration! Sadly, I'm not using this degree right now. I am doing something that my heart tells me to do, I am a Certified Nursing Assistant at Gunderson Lutheran Hospital. I love my job... helping people! But, I will never regret that I worked hard to achieve my BS degree. I am the "baby" of six in the family and the only one who has this degree. I have 2 children and 4 grandchildren. My husband is the best! Thank you, UW-La Crosse!

What's Been Happening: Since graduating from UW-L I taught 5th & 6th grade Physical Education and 7th, 8th, and 9th grade Health Education for three years in the School District of Manawa, WI. While in Manawa, I also coached cross country and track and field. It was fun to return to UW-L for the state track and field meets. After leaving Manawa and prior to moving down South to Georgia, I married Heidi (Bleier - Winona State Univ. '01). While in Augusta, GA, Heidi and I earned our my Master's Degrees. Heidi earned a MS in Medical Illustration from the Medical College of GA ('07) and I received a MEd in Health and Physical Education from Augusta State University ('06). A couple of highlights while in GA, was that I ran the GA marathon course with Dean Karnazes when he ran the Endurance Challenge consisting of the 50 marathons in all 50 state in 50 consecutive days. The other highlight was competing in my first adventure race in the Blue Ridge Mountains. We have returned to Wisconsin, where I now am an Assistant Professor of Physical Education and Athletic Director at UW-Mantowoc. Heidi is an independent contractor for medical illustration and animation throughout Wisconsin. We do not have any children as of yet. We enjoy traveling, skiing, snowshoeing, camping, running, cycling, and competing in triathlons.

What's Been Happening: I spent my few years in Fort Worth, Texas after graduation. I returned to MN in 2004 and LOVE being back. I work as a physical therapist for a Children's Hospital. I got married in 2006 and we just bought a house in St. Louis Park. I haven't been to La Crosse for a few years and it's time to get back for a visit!

What's Been Happening: After graduating, I got into
teaching. I've lived and taught in New York, California and in
Minnesota. I am currently teaching middle school science. In
October of 2005, I married an opera singer. We have a 7
month old daughter, Isabella. I love to travel and spend time
outdoors. I miss La Crosse and the dear friends I made there.
Hope you are all happy and healthy.

What's Been Happening: Began my career working in
Winona, MN. Lived in Rollingsford for about 4 years, had a
baby girl, Grace, who is almost 5 now. Moved to Green Bay
in '05 to be closer to family. Had another baby, a boy, Aaron
who turned 2 recently. Moved to Rochester, MN in '08.
Expecting another baby late December/early January. Life is
busy but I wouldn't want it any other way. Coming up on 9
years of marriage to my best friend and the most adorable
woman I've ever met. We talk often about fond memories of
school; she went to UW-Oshkosh but we are in LaX often. We
have kept in touch with a tight circle of friends and visit with
all of them often. We used to be 4 couples, now we are soon to
be 4 couples and 3 children in total. So many memories
from school...they just make me laugh!!

What's Been Happening: Since graduating from UW-L, I spent three years working in the Human Resources Department for the City of La Crosse. I then married my husband, Brett and settled into my home in the Fox Cities. After taking some time off of work, I was lucky to find a job with a regional airline company, Air Wisconsin Airlines Corporation. I was hired on as their Benefits Coordinator and after four and a half years, my role has changed to Benefits & Wellness Coordinator. I am very excited to embark on the great adventure of promoting wellness throughout the company. Even more exciting, is the welcoming of our daughter, Grace, a year and a half ago. She is the light of our lives and simply amazing. In all the different paths I have taken, when asked, I always proudly say I am a UW-L alum and truly enjoy crossing paths with other UW-L.

What's Been Happening: Still breathing...loving life! I am married to a wonderful man and travel while I can. I finished my Masters in Instructional Technology through Cardinal Stritch University (2007) and teach in the same district I started. In my spare time, I coach basketball and am the Assistant Manager of the Redline Triathlon Club, as well as provide training opportunities in the Graton area. Favorite memories of UW-LA definitely include working for REC sports, my active P.E. classes and Pepsi 5x5 Trips. I would love to get a P.E./Health class reunion going!

What's Been Happening: Celebrating my fifth anniversary with Good Humor-Breyers as well as completing my Masters of Science degree in Organizational Leadership and Quality from Marian University has made 2008 an exciting year. While Unilever is closing our Green Bay office, and that Good Humor-Breyers will now officially be known as Unilever Ice Cream, I am thankful for the challenges I faced, the memories I have, and the people I've met. I look forward to new opportunities—personally and professionally—as I seek my dream job. Personally, I have a great family and group of friends. I am also a proud uncle of the greatest 3-year-old friend on this planet. No exaggeration. There are many memories I have from my days at La Crosse but most of them involve us dream teams hanging out and having a little together. To this day, some of us still keep in good contact. I miss the interesting classes from Kim Vogt as well as Alan Bigel, both were instrumental in my personal and professional development. Last, but certainly not least, I miss the beauty of the La Crosse area.

What's Been Happening: Since graduation I have worked as a Recreation Therapist in a nursing home in Green Bay for most of 2006. I then moved to Iowa to live with my then fiancé and worked as a Qualified Mental Retardation Professional in a few group homes for individuals with disabilities. I was married in February 17, 2007 and we went to Hawaii for our honeymoon. As of right now we are back in Wisconsin and I am again working at the same nursing home in Green Bay. We are hoping to start a family real soon.

What's New Happening: Life has changed quite a bit since leaving UW. I am married to former UW. wrestler/football player, Jason Ott. We have settled in Verona, WI and are loving the Madison area, but still miss La Crosse dearly. We have a beautiful 3 year old daughter, Mikayla who will be welcoming a little brother in 11/08. She has mommy's height & build, and daddy's brute strength, so watch for her in 15 years! I would like to greet everyone from the Athletic Training Program, especially Doberstein, Gibson, and my former classmates! I don't have enough space to go through all the wonderful memories that I have from that small area in the basement of Mitchell Hall! I love and miss you all! Thank you for those cherished 4 years and helping me become the person, and professional I am today!

What's Been Happening: Since graduating in December of 2000, I moved to the Twin Cities and have been living there ever since. I got married in 2005 (I met my husband while at UW-La Crosse), and we just had a baby girl in June 2008. I work for the University of Minnesota Press as a publicist, and love my job. I still keep in touch with a lot of friends from school, but would love to reconnect with more!

What's Been Happening: I'm a mom! Gave birth to cute and cuddly baby boy April 26, 2007. His name is Jacob James. I also have a Wirehaired Dachshund named Buddy Gilligan. The two boys play together every day. I was married, that went downhill way too fast, so now I just live happily with my boyfriend and raise our family. His name is Luke and we've been together for about three years. Luke works as a mason in the Green Bay area. I am reevaluating my life goals and plan to return to school in the near future. I enjoy being a mom and am making the most of my time with my family.

What's Been Happening: I'm now living the good life in Southern California and am amazed at the bounty in this world! I am sharing my life with the man of my dreams and have enjoyed the journey that have brought us here. Thanks to UW-L, the professors, and the experiences gained, my times there will never be forgotten. Best wishes to all.

What's Been Happening: After graduating in December 2001 I moved to Denver, Colorado with another fellow UWL Recreation Management major and worked as an events coordinator for awhile. Went back to school to get my K-12 Physical Education certification, but got married before finishing. My husband, who is active US Navy, and I then moved to England where we lived for 2 years while he served in the exchange program with the Royal Navy. In January 2006 we moved back to Minnesota where he's been recruiting for the Navy and I've been working as a paralegal in a personal injury law firm. We have one child, a beautiful daughter and are now getting ready for the next military adventure! I love to hear from old friends!

What's Been Happening: Living life fully each day, whether it is motorcycling, drag racing or sipping coffee with my husband by the shores of Lake Michigan. In this fast paced world where I see most people who are fighting for their lives day after day after day, I find appreciation in every adventure and moment that I am able to live. Live, Laugh and Love life is my motto!

What's Been Happening: I have more memories of La Crosse that were probably captured on film than I'll ever be able to come up with on my own. We parted hard and I don't regret a minute of it. It made them there that I'll have for life. La Crosse will always have a special place in my heart. I'll never forget the Camel Jukes; my dear forever friend the Friendship Mafia. I met my husband Steve Rulli there... I'll never forget The Library, Brothers, Who's On Third, Nae Nae, Blitzen Kitchen, Fayzes for morning bloodies, The Alpine, Dels, Blatz and Oktoberfest. After college Steve and I went to Korea with the Army and then Fort Bragg where we still reside. We have two beautiful boys Gavin (3) and Noah (9 months). We have an amazing life and I have a student loan to La Crosse for a degree I'll never use because more education isn't the way to financial independence. I'm a stay at home mom and Steve is out of the military although he works part-time with 7th Special Forces.

SCHWARZ, Mrs. Joy A. (Joy A. Parker); BS; Dir. of Worship Ministries, Prairie Oak Community Church, 1650 161st Ave. NW, Andover, MN 55304, 763 434-8191; r: 13433 Kildeer St., Andover, MN 55304, 763 862-0682; Dan G.; anika; joyannschwarz@gmail.com

What's Been Happening: I got married in 2003 to Dan and we now have a beautiful daughter, Anika, who was born in May of 2007. I taught music in the schools for 3 years before taking my current position at Prairie Oak Community Church as Director of Worship Ministries. I loved teaching but really enjoy my job, and I still get to work with the kids, which is great. We moved to Andover, MN, a suburb of the Twin Cities right after we got married and have lived in our house for 5 years now. Dan works as a quality engineer at a successful aluminum foundry in Blaine, MN and coordinates projects for companies such as Harley-Davidson, Honda, and Boeing.

Anika is now 14 months and running all over the place! I also am involved as a professional musician in the area and am working on creating my own business. I sing in a local variety band and am now writing some of my own music as well. Life is good!

What's Been Happening: I graduated in 2001 and my husband Matt Weege (Class of 2000) moved to Colorado Springs, CO. I was a staff radiation therapist for three years. We had our first child, a son, Wyatt in May, 2004. When I returned to work, I started training in medical dosimetry which included completing the online certification through UW-La Crosse. I graduated with that in 2006. We had a daughter, Ayda, in February of 2007. Approximately one year ago, we moved back to La Crosse as I look over the radiation therapy program. Matt is now teaching at Logan High School and we are both pursuing Masters of Science in Education degrees from UW-Stout.

What's Been Happening: Since graduating with my MBA
degree I relocated to the Chicago food area. The MBA degree
I earned from UWL has been a great complement to my
engineering background and a big boost to my career. Since
receiving my diploma, I have advanced into an Engineering
Manager role and now my current position of Vice President
of Engineering and Sales. I stay involved with a number of
industry organizations and sit on 2 Boards of Directors. I live
in Geneva, IL with my wife, Tina. Tina runs her own engineer-
ing consulting business, Yagla Engineering Services. We have
2 "kids" (Wheaten Terriers) named Max and M.E.

What's Been Happening: Greetings! Life is busy as usual.
I'm the morning news anchor at WXOW TV-19 in La Crosse.
My day starts at 2:30 each morning, and doesn't end early
enough. My husband Erich and I welcomed Bryce Erich to the
world in November. Bryce has a happy, healthy baby boy. We
love watching Bryce grow and develop a personality. Bryce is
on the move, crawling and trying to pull himself up on the
furniture, so he keeps us on our toes. This fall I will begin my
5th season as head coach of the West Salem-Aquinas gymnas-
tics team. I love coaching and I'm looking forward to a
third trip to the state tournament this fall! Wish us luck.

What's Been Happening: After I finally graduated, I was hired by the Baltimore City Police Department as a Drug Chemist. I am certified by the State of Maryland to analyze and identify most controlled dangerous substances. I have since moved on to the Baltimore County Police Department as a Police Officer. I have been working as a patrol officer for the last 4 years and have made over 170 arrests! I really enjoyed my time at La Crosse. I'll never forget all of the friends I made and the Professors that helped me succeed!

What's Been Happening: I'm in my fifth year teaching Spanish at the middle level in West De Pere (a small Green Bay suburb). I live in West Green Bay with my 4 year old son, Chance who is the love of my life along with our cat, Tula and dog, Baylie. I graduate in May from Cardinal Stritch University with a Master's Degree in Educational Leadership, so that one day I can be a principal. The time has certainly flown by! I hope everyone is doing well.

What's Been Happening: I recently got married to Jake Ingman this past June '08 in Stillwater, MN. We have a beautiful house in St. Paul, MN and enjoy our life together along with our border collie named Judy. Some of my favorite memories of UWL have to be with my Residence Life staff(s) at Coate and Drake - half duty, Leadership Conferences, staff meetings and Welcome Week were all so much fun.

What's Been Happening: After teaching elementary P.E. for two years in Sparta, I decided to take some time off from teaching and stay home with my two children. My son, Jackson, was born 12/17/05 and my daughter, Jessica, on 3/22/08. Being home to raise my children is very important to me. I do plan on going back to teaching once Jessica begins kindergarten. In the meantime, I'm enjoying every moment with the two of them. As of September of 2008, I have taken in three other children for daycare. Two of those children are close to my son's age, and three is almost exactly the same age as Jessica. They are all terrific kids; my days run very smoothly. I couldn't be happier with my current situation. My husband, Jason, is enjoying his sixth year teaching 7th grade social studies in West Salem. He also finished up his fifth year as the boys' varsity soccer coach.

What's Been Happening: Hello. Since college, I traveled, relaxed, and worked. I work in Milwaukee, I'm married, and have a dog. I still enjoy the memories I made while attending UW-L. They seem so long ago. Everything changes and then changed again. Email me if you would like catch up, more on a more personal level. Thanks.

What's Been Happening: Since I've graduated, I have moved to Los Angeles and married my wife Danielle (June 30, 2005). On October 24, 2007 we welcomed our son Ryan to sunny CA. I'm currently an administrator at a private high school in San Pedro CA. I completed my master's degree in 2006 in the area of special education. I continue to stay active and even play in a men's soccer league once a week. I manage to return to WI about once a year during summer vacation. I wish I missed the friendly atmosphere and friends in La Crosse. I hope everyone the best and look forward to hearing many of your stories.

What's Been Happening: Since graduation, I landed a job as the GIS Specialist for the Ho-Chunk Nation's Division of Natural Resources in Black River Falls, which includes a wide range of job duties from GPS data collection to Wildland firefighting on federal lands. Also became an EMT in 2004 and firefighter in 2007 for the city of Black River Falls, & staying busy using the "Northwoods" as my playground. Trying to use my Geography degree as much as I can to travel places that I know nothing about, just like the good old days with George Huppert, Doc Wingate, the rest of the gang!

What's Been Happening: Life is one adventure after another as a wife, mother of four, full-time art instructor and professional artist. My husband is an AgScience instructor at Arcadia High School and our daughter, Maddie, will be starting first grade in September. My three older sons are now all in college. James at UW-LaCrosse, Tim at UW-River Falls, and John will begin attending Western Wisconsin Technical this fall. I love working with the young artists at Holmen High School through the various courses I teach and the extracurricular activities that we interact in. I am so fortunate to have the opportunity to work with such creative young adults. Between my home and professional world, I am kept on the go...but then, I wouldn't have it any other way.

What's Been Happening: After graduating with a BS in Psychology, I went on to pursue my Masters Degree in Education and obtain my teaching license in secondary Social Studies from the University of Minnesota. I am currently finishing my masters degree and pursuing secondary licensure in ESL at Hamline University. I am married to my beautiful wife, who is a graduate of Winona State University and currently the Social Services Director at a nursing home. My wife and I love to take our annual trip back to the La Crosse/Winona area to relive our memories and take in our favorite sites. On more recent trips, we have been interested in learning more about the history of La Crosse and its people. We always look forward to our next visit to Riverside Park, Mr. D's for some amazing blueberry donuts, and Buzzard Billy's. We also can't resist The Pearl's famous ice cream and old fashioned sodas

What's Been Happening: After graduating from UW-L, I entered the U.S. Army as a Second Lieutenant in the Transportation Corps. I was stationed at Fort Lewis, Washington for four years. While there, I met and married my husband, Dan, who still serves in the Army. In 2004, I received an all-expenses paid, year-long trip to Baghdad, Iraq. It was a life-changing experience and I cherish my memories from that deployment. While there, my unit was assigned to provide guntruck security for the American civilians who were contracted to deliver mail to the many camps in and around Baghdad. In May 2006, I left the Army and that August my new adventure was born...being a full-time mom to our son, Henry, Dan and I are currently stationed at Fort Riley, Kansas. Dan has been deployed two times, but we are enjoying a little family time right now as he completes his company command stateside. In February, we will be welcoming a little sibling for Henry! My life since graduation has taken me very far from La Crosse, but I still long to see those bluffs and taste some Wednesday night wings washed down with cheap beer.

What's Been Happening: Since graduation, I've married Dan Baker, high school sweetheart, in 2004. In April 2008, we welcomed our little girl, Keira into our family and home in Maple Grove, MN. After roles in sales and banking, I've returned in 2005 to Thivent Financial and am currently the Field Recruiter for the Twin Cities area. In the highly competitive financial services industry, I am continuously excited to work with candidates in discovering what they love and enjoy, uncovering possibilities that may have been overlooked. My desire is to connect and guide individuals in finding opportunities that match their values and goals. UWL has prepared me well for my career and personal present as well as the future. Thanks-

What's Been Happening: Upon graduating from UWL, I started working for Quad Graphics as a Corporate Trainee where I rotated through various departments in the company until I found my fit as a Sales Service Representative. At the end of 2008, I will transition into a Sales Rep for the Sussex, WI branch. I married Ben Burt (a graduate of Viterbo University) in September of 2005 and we had our first child, Evan, in August of 2007. The three of us currently reside in Waukesha, WI with our dog, Ruthe.

What's Been Happening: Since my graduation from UW-La Crosse in 2003 I have had a lot of incredible experiences. In 2004 I moved to Edinburgh Scotland for 6 months and completed a work abroad program through BUNAC. During the summer of 2005 I spent 4 months in Florence Italy and completed a TEFL Certification class and am certified to teach English as a second language. During my stay I made the choice to further my education and in June of 2006 I moved to Australia to start a Masters program in International Studies. I'm currently working as a Business Analyst for a large health care company.

What's Been Happening: After graduation I moved to Minneapolis and then spent a month in New Zealand and Australia. I went on the grounds crew of a country club until I started graduate school. While working on the grounds crew I met Paul, my husband. We bought a house a few months before our wedding and had the ceremony in our backyard.

Paul is a landscaper and a graduate of the University of Minnesota-Crookston. This past fall, Paul finished his first Ironman triathlon in Madison, Wisconsin. Currently we live in Medina, a suburb of Minneapolis, with our adorable dog, Piper. I received my Masters from Hamline University in the spring of 2008. I am working at Globe University/Minnesota School of Business as the Lead Instructor of the General Education Department. I teach writing and communications courses and tutor in the writing center.

What's Been Happening: I have been employed as a Radiation Therapist at Maplewood Cancer Center in Maplewood, MN since August of 2003 when I graduated from UW-LA. I am currently engaged to my fiance, Ryan Homesteier and plan to be married June 13, 2009. I bought a townhouse about a year and a half ago in Roberts, WI. I love owning my own place, being able to do what I want with it, when I want! I have a bird named Mia and a golden retriever named Murphy, who is 1 1/2 years old. Since graduating from UW-LA, I have taken up running in 1/2 marathons and scrapbooking in my free time. I also am doing therapy with Murphy, which is very fun and entertaining. UW-LA is still one of the most memorable 5 years of my life! I met so many wonderful people who helped me through some of the most difficult times in my life. I will always remember all the great memories from being a student at La Crosse!

What's Been Happening: Currently I am one year retired from the Sun Prairie Area School District and loving every minute of it. I am enjoying my time with family and friends without the need to be committed to a daily routine and recommend retirement to anyone. I enjoyed the time I spent at UW-LaCrosse during my Master's years, especially the bond of working with my professional development family. Their support will never be forgotten. I'd like the "Steve's Angels" group to know that I think of them often and wish them the very best along with the rest of the professional development class that worked out the most "creative learning" setting I have ever experienced. You are the best educators and have your heart's desire in the right place. Best wishes to everyone in your life's journey!

What's Been Happening: Since leaving La Crosse I accepted a position at Chohan University in the northeast part of North Carolina. I am teaching in the Wm. A. Krueger School of Graphic Communications. Chohan is a lot smaller than UW-L and the town of Murfreesboro is not quite a 16th of the size of downtown La Crosse. It has been fun adjusting to a smaller school and to a small town that rolls up the sidewalks at 6PM. My family and I now live on a small country farm where we are building a large scale backyard railroad. Each summer we return to WI where we still volunteer at the Riverside & Great Northern Preservation Society in the WI Dells. So if you're in the Dells in the month of July, stop by and visit.
